Registered Agent

A registered agent is the person that will accept service of process on behalf of a business entity. The registered office is the address where the registered agent is located during normal business hours. The registered office address must be a Florida street address. A post office box is not acceptable.

Annual Report

The annual report is not a financial statement. The report is used to update or confirm the Florida Department of State, Division of Corporations' records. The data displayed on the entity's online annual report form is the most current data on file with the Division of Corporations. An annual report must be filed each year for your business entity to maintain an "active status" with the Department of State. The report is due by May 1st of each year. Failure to file an annual report by the 3rd Friday of September will result in the administrative dissolution or revocation of the business entity on our records at the close of business on the 4th Friday of September.
